Sir,

In forwarding herewith a copy of letter No O C 193/44-45 dated 12/10/44 with its enclosures received from the President, Kolar Town Municipality in the matter of continuing the temporary establishment, I have the honour to state as follows

2. The tollgate Revenue in the Municipality is about Rs 4000 a year and as the Toll is being collected afresh for the past 5 years watchmen at each gate had to be posted It was accordingly sanctioned in G O No L 10164-5/ 1 33-37-65 dated 21/6/38 that the marginally noted temporary establishment be entertained for the purpose and this establishment is being continued year after year, the last Government order sanctioning the continuance of the establishment being G O No L 183 -35/11 3-41-6 dated 1/9/41 for the year 41-42 The President reports that the expenditure on this account having been included in the subsequent budget estimates for 42-43 and 43-44, the estimates were sanctioned and that the temporary establishment is being continued as it is quite necessary in the interests of collection

4 watchmen on Rs 10 each per month
6 atchmen on Rs 8/- each per month
allowance of s 10/- per month to the Octroi Irspector

3 Similarly 2 gardeners on s 10/- per onth each were sanctioned temporarily as per G O No L 6543-4/11 36-37-38 dated 29/1/38 and the pay of the garden raistry and of the two watchmen was revised as per G O No L 6573/ 1 29/40/41 dated 8/3/41 It is stated that as these temporary establishments had been sanctioned in the budget estimates of the previous years no separate sanction was obtained and that as the sanctioned does not cover the years 42-43 and 43-44, their continuance is objectionable on the technical grounds of audit The services of watchmen and gardeners are purely temporary according to Art 17 Municipal account anual, which does not count for pension The President reports that the question of continuing t ese watchmen and garden maistry ds a permanent measure rs under the consideration of

3340/L

of the Municipal Council, though necessary provision in the current year's budget has been made as they worked during 42-43 and 43-44 the expenditure incurred being covered by the sanctioned budgets, their continuance for the said 2 years may kindly be ratified to avoid technical objection in audit Instructions have however been issued now to the President to avoid strictly such irregularities

In these circumstances I request you to kindly obtain sanction for the continuance of the above said temporary establishment for the years 42-43 and 43-44

I have the honour to be,
Sir,
